SUMMER STAGES

SUMMER STAGES 2011

The curtain is going up...

... on a summer filled with the excitement and magic of theater!

The nexStage is very happy to be once again offering this popular three-week summer camp. This camp focuses on giving students the opportunity to learn firsthand that there is a place for everyone in the performing arts.

This day camp is about fun; on-stage and off. Professional teaching artists will lead classes in art, stage-combat, improvisation, dance, music and acting. Age-divided groups decide whether to choose a script or write their own. This camp provides a unique venue for young people to exercise their imaginations and grow in wonderful and unexpected ways. This year we will be at the beautiful Community School campus for the first two weeks and at the nexStage Theatre for the last week leading up to a final performance for family and friends on the evening of July 22nd.
